2009-10 School Accountability Report Card

Published January 2011

Principal's Message

Marine View's staff and students are proud of our status as a nationally recognized Blue Ribbon School of Excellence and California Distinguished School. Within the pages of this Annual Student Accountability Report Card, you can learn more about our school and read about the basis for our school spirit and pride!

This School Accountability Report Card is presented in accordance with Proposition 98 and Federal No Child Left Behind legislation, which is a requirement of every school in California. At Marine View, we are proud to highlight the accomplishments of the prior school year as well as to identify goals for the future.

Marine View Middle School is proud to have a strong student, staff, and community partnership in our goal of educating the whole child. The high academic and social pursuits of our students are truly the result of a group effort. We are proud of our many accomplishments and owe every bit of our success to the hard-working staff and community that continue to support our students each and every day. Thank you for your continued commitment to our students, and we hope you enjoy reading more about our school – a fantastic place for learning and growing!

Marine View Middle School Goals

- Provide the highest quality educational programs which will give all students the opportunity to realize their full intellectual, physical, creative, emotional and social potential;
- Promote consistent and quality employee performance to maximize professional growth and accountability;
- Strengthen the educational partnership between schools, students, families and community; and
- Ensure the use of appropriate technologies to enhance and extend the delivery of curricula and prepare students for processing information in the future.

Guiding Principles

- Each student is unique and has varied gifts and abilities that the school must help him/her to develop to the fullest extent possible.
- Educational excellence and equity must be ensured for each student.
- Each staff member must play a significant role in the school's total guidance program.
- The dignity of each person and respect for each person must be preserved.
- Continuous school improvement must emphasize literacy skills, academic rigor, and exploratory study in the academics and fine arts.
- Curriculum must be flexible and adaptable to fit the diverse needs of middle school students.
- The educational program should be the shared responsibility of the school, the home, and the student.

District & School Profile

The Ocean View School District is located in western Orange County and served over 9,750 students from kindergarten through eighth grade in the 2009-10 school year. The District serves students in northern Huntington Beach as well as portions of the cities of Westminster, Fountain Valley, and Midway City. Ocean View School District is dedicated to educational excellence and the continuous academic growth of all students which supports its motto: "Charting the Course -- Success for All."

Marine View Middle School is located in the western region of Huntington Beach and serves students in grades six through eight following a traditional calendar. At the beginning of the 2009-10 school year, 904 students were enrolled, including 6% in special education, 10% qualifying for English Language Learner support, and 21% qualifying for free or reduced price lunch. Marine View Middle School achieved a 2010 Academic Performance Index (API) score of 846.

Percentage of Students by Ethnicity/Grade Level 2009-10			
Ethnic Group	%	Grade Level	#
African-American	0.5%	Grade 6	303
Amer. Indian or Alaskan Native	0.9%	Grade 7	265
Caucasian	57.5%	Grade 8	336
Asian	7.2%		
Filipino	0.9%		
Hispanic or Latino	27.8%		
Pacific Islander	0.4%		
Two or More Races	4.8%		
Total Enrollment			904

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, monthly teacher newsletters, school newsletters, parent conferences, the school marquee, the school website, and the NTI automated telephone messaging system. Contact any school office staff member, teacher, or the PTSA Volunteer Coordinator at (714) 846-0624 for more information on how to become involved in your child's learning environment.

Student Achievement Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs), the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English/language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>. Program information regarding the STAR Program can be found in the Explaining 2009 STAR Program Summary Results to the Public guide at www.cde.ca.gov/ta/tg/sr/resources.asp.

Physical Fitness

In the spring of each year, Marine View Middle School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's Website www.cde.ca.gov/ta/tg/pf/.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2009-10

Grade Tested	Number of Standards Met:		
	4 of 6	5 of 6	6 of 6
Seventh	11.1%	23.1%	56.7%

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2009-10 AYP cycle, elementary and middle schools must achieve a 56.8% or higher proficiency rate in English/language arts and 58% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 680 or increasing the API growth by 1 point.

Adequate Yearly Progress (AYP) Results Reported by Indicator and Compared to District Performance 2009-10

Did the school and district meet or exceed 2010 AYP performance criteria in each of the areas listed below?		
AYP Indicator	Marine View	OVSD
Overall School Results	No	No
Participation Rate		
English-Language Arts	Yes	Yes
Math	Yes	Yes
Percent Proficient		
English-Language Arts	No	No
Math	No	No
Academic Performance Index	Yes	Yes

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well.

Schools/subgroups that have achieved an API of 800 or above must maintain their scores. Statewide Rank: All schools in California are categorized according to type

(elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2009-10, Marine View Middle School did not qualify for Title I funding and therefore is not subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Title I Program Improvement (PI) Status

	Marine View	OVSD

The statistical information in this table reflects the PI status during the 2010-11 school year.

Facilities & Safety

The District takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Marine View Middle School's original facilities were built in 1965; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and District staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following campus improvements were completed:

- Repainted the hallways throughout the campus
- Installation of new canvas on the shade structure
- Completion of a new staff lounge
- New carpet in seven classrooms

Every morning before school begins, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Marine View Middle School. The day custodian is responsible for:

- Lunch area setup/cleanup
- General grounds maintenance
- Restroom cleaning
- Trash removal

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Gymnasium/auditorium cleaning

The principal communicates with the custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Marine View Middle School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2009-10 school year, Marine View Middle School received \$4,139 for campus improvements related to drinking fountain repairs, carpet replacement, and fire alarm system upgrades.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, certificated staff are on duty and are strategically assigned to designated entrance areas, and campus grounds. Administrators and noon duty supervisors monitor lunch time activity in the cafeteria and on the grounds. At the end of the day when students are dismissed, certificated staff are on duty monitor student behavior to ensure a safe and orderly departure.

Marine View Middle School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Marine View Middle School in collaboration with local agencies and the District office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed and updated in Spring 2010, and discussed with school staff in Fall 2010.

Facilities Inspections

The District's maintenance department inspects Marine View Middle School on an annual basis in accordance with Education Code §17592.72(c)(1). Marine View Middle School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Tuesday, September 07, 2010. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2009-10, all restrooms were fully functional and available for student use.

Classroom Environment

Discipline & Climate for Learning

Marine View Middle School's discipline policies are based upon a schoolwide discipline plan, which is used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers

	07-08	08-09	09-10
Suspensions (#)	470	463	409
Suspensions (%)	5.0%	4.9%	4.4%
Expulsions (#)	0	5	6
Expulsions (%)	0.0%	0.1%	0.1%

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for two days and then suspended a month later for three days is counted as two cases of suspension.

Instructional Time

All instructional time offered at Marine View Middle School either meets or exceeds California's Education Code requirements. For the 2009-10 school year, Marine View Middle School offered 180 days of instruction comprised of 164 regular days, 12 minimum days, and 4 modified days. Minimum days were used for parent conferences. Modified days were used for staff meetings, teacher planning, and the last day of school.

The table below is a comparison of the instructional minutes offered and the state's instructional time requirements.

Instructional Minutes		
2009-10		
Grade Level	Actual Minutes Offered	State Requirement
6	57,971	57,967
7	57,971	57,967
8	57,971	57,967

Teaching Load Distribution

The Teaching Load Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

Teaching Load Distribution Departmentalized Instruction				
2007-08				
Subject	Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+

Science	32.0	3	10	15
Social Science	32.0		16	11

Curriculum & Instruction

Specialized Instruction

All curriculum and instruction is aligned to the California State Content Standards and Frameworks approved by the State Board of Education. The instructional program is structured so that all students receive instruction appropriate to their learning level. Teachers use a variety of research-based instructional strategies and techniques using state-approved instructional materials to ensure academic success.

Students with special gifts and talents need more challenging curriculum and instruction. The Gifted and Talented Education (GATE)/Honors program is offered to students in grades 6 through 8 who have been identified as academically gifted through District-administered assessments, teacher recommendation and testing programs. Students receive differentiated instruction from the classroom teacher or are placed in Honors classes. Instruction is provided by teachers who are GATE trained. GATE students have the option of attending the magnet program at Mesa View Middle School.

For students whose primary language is not English and who have limited English proficiency, Marine View Middle School offers programs to help them acquire English as quickly as possible and prepare them to meet the state's academic content standards. Students learning English may

participate in two levels of English Language Development classes dependent on their level of language acquisition. Students are monitored through the CELDT exam given throughout the year; results are used to evaluate student progress, intervention programs, teaching strategies, and to adjust individualized learning strategies.

Marine View Middle School provides a variety of intervention and remediation programs to support students' efforts to achieve academic success and reach grade level expectations. Using STAR test results, District benchmark assessments, and end-of-unit exams, teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. For those students who need extra help in any subject area, a Student Study Team pulls together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance. Intervention strategies include:

- Homework Club - four days per week
- Literacy Class
- MAP (Monitor and Assistance Plan)
- RtI - Response to Intervention

Supplementary instructional materials are purchased as needed to support intervention programs. Classroom teachers monitor student performance on District benchmark assessments, daily classwork, homework, and end-of-unit tests to measure ongoing academic progress and adjust instructional needs.

Staff Development

All training and curriculum development activities at Marine View Middle School revolve around the California State Content Standards and Frameworks. Decisions concerning the selection of staff development activities are based on student needs and topics focused on areas in which additional teacher training may enhance classroom instruction and increase student achievement levels.

In 2009-10, school staff participated in District-sponsored staff development which focused on RtI (Response to Intervention) efforts to meet the needs of all students, and site staff development focused on:

- Improve the use of Technology in the Classroom
- Intervention Strategies
- Math Adoption Training

Throughout the year, teaching staff are provided the opportunity to participate in District-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Marine View Middle School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and District representatives.

Instructional Materials

All textbooks used in the core curriculum at Marine View Middle School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The District follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Wednesday, October 19, 2010, the Ocean View School District held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 14:1011 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the District to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

District Adopted Textbooks			
Subject & Year Adopted	Publisher/Series	Grades	
History-Social Science			
2007	Glencoe/McGraw-Hill <i>Glencoe Discovering Our Past</i>	6-8	
Mathematics			
2010	Holt McDougal <i>Holt California Mathematics</i>	6-8	
2010	Holt McDougal <i>Holt California Algebra Readiness</i>	8	
2010	Holt McDougal <i>Holt California Geometry</i>	8	
Reading Language Arts/ELD			
2003	Holt Rinehart and Winston <i>Holt Literature and Language Arts</i>	6-8	
2010	Sopris West <i>Language! 4th Edition</i>	4-8	
Science			
2009	Pearson Prentice Hall <i>Prentice Hall California Science Explorer</i>	6-8	
Foreign Language			
2008	Pearson Prentice Hall <i>Realidades</i>	8	

The textbooks and instructional materials used by the school are the most recently SBE adopted instructional materials.

Teacher Education Levels 2009-10		
	Marine View %	OVSD %
Doctorate	0.0	0.2
Master's Degree plus 30 or more semester hours	35.3	33.5
Master's Degree	38.2	45.0
Bachelor's Degree plus 30 or more semester hours	23.5	20.2
Bachelor's Degree	2.9	1.1
Less than a Bachelor's Degree	0.0	0.0

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2009-10 school year, Ocean View School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Teacher Assignment

During the 2009-10 school year, Marine View Middle School had 34 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

In the table below, which identifies the number of classrooms taught and not taught by NCLB-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price lunch program. Low poverty schools are those schools that are in the lowest quartile of program participation.

	Percentage of Core Classes:	
	Taught by NCLB-Compliant Teachers	Not Taught by NCLB-Compliant Teachers
	2009-10

Substitute Teachers

Marine View Middle School does not experience any difficulties finding substitute teachers to fill vacancies. A pool of substitutes is available through the District pool and is comprised primarily of aspiring teachers, retirees, and part-time teachers. Substitutes must have (1) a bachelor's degree; (2) passed the CBEST (California Basic Education Skills Test); and (3) a 30-day substitute permit.

Teacher Evaluations

Evaluation procedures and criteria for Marine View Middle Elementary School's teachers are defined in the District's collective bargaining agreement. Evaluation criteria are based on the Stull Evaluation Criteria:

- Planning and Designing Instruction
- Classroom Performance
- Developing as a Professional Educator
- Punctuality, Attendance, and Record-keeping

Temporary and probationary teachers are evaluated once annually; permanent/tenured teachers are evaluated once every five years. Tenured teachers whose previous evaluations either met or exceeded standards may be evaluated at least every five years if agreed upon by the teacher and school principal. Evaluations are conducted by the principal, who has been trained and certified to perform teacher evaluations.

New teachers and teachers who are not yet fully credentialed are supported by peer coaching and extensive staff development through the Beginning Teacher Support and Assessment (BTSA) program. This program utilizes the District's most effective veteran and knowledgeable teachers who assist with staff development and participate in such exercises as classroom visits, one-on-one meetings, and student work reviews.

Counselors & Support Personnel

(Nonteaching Professional Staff)

2009-10

	No. of Staff	FTE
Counselor	2	0.4
Psychologist	1	0.4
Resource Specialist Program (RSP) Teachers	2	2.0
School Nurse	1	0.2
Special Education Aides	2	1.5
Speech Therapist	1	0.4

FTE = Full-Time Equivalent

Counseling & Support Staff

Marine View Middle School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Marine View Middle School's students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2008-09 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2008-09		
	OVSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$38,044	\$41,988
Mid-Range Teacher Salary	\$75,222	\$68,649
Highest Teacher Salary	\$93,741	\$87,156
Average Principal Salaries:		
Elementary School	\$113,918	\$109,026
Middle School	\$120,543	\$112,489
Superintendent Salary	\$200,110	\$181,890
Percentage of General Fund Expenditures For:		
Teacher Salaries	46.40 %	42.50 %
Administrative Salaries	5.40 %	5.50 %

Expenditures Per Student

For the 2008-09 school year, Ocean View School District spent an average of \$8,119 of total general funds to educate each student (based on 2008-09 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the District and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

Current Expense of Education per Pupil

2008-09

Expenditures Per Pupil	Dollars Spent per Student				
	Marine View	OVSD	% Difference - School and District	State Average for Districts of Same Size & Type	% Difference - School Site and State
Total Restricted and Unrestricted	\$3,936	\$4,544	86.6%	N/A	N/A
Restricted (Supplemental)	\$57	\$190	30.0%	N/A	N/A
Unrestricted (Basic)	\$3,879	\$4,354	89.1%	\$5,681	68.3%
Average Teacher Salary	\$73,819	\$71,824	102.8%	\$68,212	108.2%

In addition to general fund state funding, Ocean View School District receives state and federal categorical funding for special programs. For the 2008-09 school year, the District received categorical, special education, and support programs funds for:
