## 2009-10 School Accountability Report Card

Published January 2011

### Principal's Message

As Principal, I take great pride in the achievements of Spring View Middle School as it was recognized as a California Distinguished School in the Spring of 2007. This Annual School Accountability Report Card holds within its pages the basis for such pride. We share with you an overview of the District and community in which it resides, in hopes that your appreciation and understanding of our educational program will be cultivated and refined.

This School Accountability Report Card is presented in accordance with Proposition 98 and the Federal No Child Left Behind Act, which defines the report as a requirement for every school district in California. In compliance with legislation, we are proud to highlight the accomplishments of the prior school year as well as to identify goals and objectives for the future.

Spring View Middle School maintains the ideal that it is not the sole responsibility of an individual or school to produce high-caliber, contributing members of society. Rather, we consider the education of our students the result of a group effort. That being the case, we welcome any suggestions, ideas, or comments you may have. We celebrate the partnerships that exist between students, parents, community members, and staff. Thank you for assisting Spring View Middle School in maintaining a high level of educational excellence that we will continue to strive for in this and future generations.

### School Mission

It is the mission of Spring View Middle School to provide all students with a variety of educational experiences; provide opportunities for students to build confidence and self-esteem through physical, social, intellectual and emotional development; develop a foundation that encourages life-long learning; reinforce basic skills and introduce new skills; teach critical thinking and problem solving strategies; develop skills for becoming successful, responsible, contributing members of society; and model respect for all individuals.

### District & School Profile

The Ocean View School District is located in western Orange County and served over 9,750 students from kindergarten through eighth grade in the 2009-10 school year. The District serves students in northern Huntington Beach as well as portions of the cities of Westminster, Fountain Valley, and Midway City. Ocean View School District is dedicated to educational excellence and the continuous academic growth of all students which supports its motto: "Charting the Course -- Success for All."

Spring View Middle School is located in the western region of Huntington Beach and serves students in grades six through eight following a traditional calendar. At the beginning of the 2009-10 school year, 800 students were enrolled, including 8% in special education, 1% qualifying for English Language Learner support, and 32% qualifying for free or reduced price lunch. Spring View Middle School achieved a 2010 Academic Performance Index (API) score of 842.

## Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through emails, flyers, newsletters, parent conferences, phone calls, the school marquee, the school website, SnapGrades, and the NTI automated telephone messaging system. Contact any school office staff member at (714) 846-2891 for more information on how to become involved in your child's learning environment.

## Student Achievement

### Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs), the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English/language arts (ELA) and mathematics in grades two through

eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>. Program information regarding the STAR Program can be found in the Explaining 2009 STAR Program Summary Results to the Public guide at [www.cde.ca.gov/ta/tg/sr/resources.asp](http://www.cde.ca.gov/ta/tg/sr/resources.asp).

### Physical Fitness

In the spring of each year, Spring View Middle School is required by the state to administer a physical fitness test to all students in grade seven. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's Website [www.cde.ca.gov/ta/tg/pf/](http://www.cde.ca.gov/ta/tg/pf/).

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2009-10			
Grade Tested	Number of Standards Met:		
	4 of 6	5 of 6	6 of 6
Seventh	12.4%	24.7%	53.6%

### Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2009-10 AYP cycle, elementary and middle schools must achieve a 56.8% or higher proficiency rate in English/language arts and 58% or higher

proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 680 or increasing the API growth by 1 point.

### Adequate Yearly Progress (AYP) Results Reported by Indicator and Compared to District Performance 2009-10

Did the school and district meet or exceed 2010 AYP performance criteria in each of the areas listed below?		
AYP Indicator	Spring View	OVSD
Overall School Results	No	No
Participation Rate		
English-Language Arts	Yes	Yes
Math	Yes	Yes
Percent Proficient		
English-Language Arts	No	No
Math	No	No
Academic Performance Index	Yes	Yes

More information on AYP can be found on the California Department of Education's (CDE) website [www.cde.ca.gov/nclb/](http://www.cde.ca.gov/nclb/) and the U.S. Department of Education's website [www.ed.gov/nclb/accountability/](http://www.ed.gov/nclb/accountability/).

### Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well.

Schools/subgroups that have achieved an API of 800 or above must maintain their scores. Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

STAR Results All Students Percentage of Students Scoring at Proficient & Advanced Levels									
	Spring View			OVSD			California		
	07-08	08-09	09-10	07-08	08-09	09-10	07-08	08-09	09-10

Other Subgroups						
Economically Disadvantaged	61	-8	14	779	772	712
English Learners			30	752	775	691

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

### No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools

use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2009-10, Spring View Middle School did not qualify for Title I funding and therefore is not subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website [www.cde.ca.gov/ta/ac/ti/](http://www.cde.ca.gov/ta/ac/ti/).

Title I Program Improvement (PI) Status		
	Spring View	OVSD
PI Status	Not in PI	In PI
First Year of PI Implementation	N/A	2009-10
Year in PI	N/A	N/A
No. of Schools Currently in PI		3
Percent of Schools Currently Identified for PI		20.0

The statistical information in this table reflects the PI status during the 2010-11 school year.

### Facilities & Safety

The District takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Spring View Middle School's original facilities were built in 1964; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and District staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the custodian inspects the facilities for safety hazards or other conditions that

need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Spring View Middle School. The day custodian is responsible for:

- Lunch area setup/cleanup
- General grounds maintenance
- Restroom cleaning
- Trash removal

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with the custodial staff daily concerning maintenance and school safety issues.

Campus Description	
Year Built	1964
Acreage	14
Bldg. Square Footage	48,818
	<b>Qty.</b>

Staff Lounge	1
Staff Workshop	1
Woodshop	1

### Deferred Maintenance

Spring View Middle School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2009-10 school year, Spring View Middle School received \$4,139 for campus repairs related fire alarm systems, drinking fountains, and carpet replacement.

### Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the administrators, instructional aides, and teachers on duty are strategically assigned to designated entrance areas, the campus grounds. Administrators and noon duty supervisors monitor lunch time activity in the cafeteria and on the campus grounds. At the end of the day when students are dismissed, administrators and teachers on duty monitor student behavior to ensure a safe and orderly departure.

Spring View Middle School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

### School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Spring View Middle School in collaboration with local agencies and the District office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in Fall 2010.

### Facilities Inspections

The District's maintenance department inspects Spring View Middle School on an annual basis in accordance with Education Code §17592.72(c)(1). Spring View Middle School uses a school site

inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Tuesday, September 07, 2010. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2009-10, all restrooms were fully functional and available for student use.

## Classroom Environment

### Discipline & Climate for Learning

Spring View Middle School's discipline policies are based upon a schoolwide discipline plan, which is used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss

Suspensions & Expulsions			
	Spring View		
	07-08	08-09	09-10
Suspensions (#)	144	98	67
Suspensions (%)	16.8%	11.7%	8.4%
Expulsions (#)	0	2	2
Expulsions (%)	0.0%	0.2%	0.3%
OVSD			
	All K-8 Schools		
	07-08	08-09	09-10
Suspensions (#)	470	463	409
Suspensions (%)	5.0%	4.9%	4.4%
Expulsions (#)	0	5	6
Expulsions (%)	0.0%	0.1%	0.1%

*This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for two days and then suspended a month later for three days is counted as two cases of suspension.*

School Facility Good Repair Status

Overall Summary	Good: The school is maintained in good repair with a number of non-critical deficiencies noted.			

consequences for poor or disruptive behavior in the classroom. Spring View Middle School employs a progressive approach in managing students who make poor choices in behavior, do not follow school rules, or are disruptive in the classroom.

## Instructional Time

All instructional time offered at Spring View Middle School either meets or exceeds California's Education Code requirements. For the 2009-10 school year, Spring View Middle School offered 180 days of instruction comprised of 164 regular days, 12 minimum days, and 4 modified days. Minimum days were used for parent conferences. Modified days were used for staff meetings, teacher planning, and the last day of school.

The table below is a comparison of the instructional minutes offered and the state's instructional time requirements.

Instructional Minutes 2009-10		
Grade Level	Actual Minutes Offered	State Requirement
6	58,030	57,967
7	58,030	57,967
8	58,030	57,967

## Teaching Load Distribution

The Teaching Load Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

Teaching Load Distribution Departmentalized Instruction				
Subject	2007-08			
	Avg. Class Size	Number of Classrooms		
		1-20	21-32	33+

Math	29.1	4	16	11
Science	32.5	10	15	15
Social Science	30.6	2	15	12
Subject	2009-10			
	Avg. Class Size	Number of Classrooms		
		1-20	21-32	33+
English	32.0	4	19	3
Math	32.0	1	24	2
Science	32.0	1	19	5
Social Science	32.0	1	16	2

## Curriculum & Instruction

### Specialized Instruction

All curriculum and instruction is aligned to the California State Content Standards and Frameworks approved by the State Board of Education. The instructional program is structured so that all students receive instruction appropriate to their learning level. Teachers use a variety of research-based instructional strategies and techniques using state-approved instructional materials to ensure academic success.

Students with special gifts and talents need more challenging curriculum and instruction. The Gifted and Talented Education (GATE) program is offered to students in grades six through eight who have been identified as academically gifted through District-administered assessments, teacher recommendation and testing programs. Students in the GATE program may participate in GATE/Honors classes in language arts and social studies as well as accelerated math classes. Instruction is provided by teachers who are GATE trained. GATE students have the option of attending the District magnet program at Mesa View Middle School.

For students whose primary language is not English and who have limited English proficiency, Spring View Middle School offers programs to help them acquire English as quickly as possible and prepare them to meet the state's academic content standards. English learners may participate in two levels of English Language Development classes depending on their level of language acquisition. A bilingual aide is available to support students in accessing the core curriculum. Students are monitored through the CELDT exam given throughout the year; results are used to evaluate student progress, intervention programs, teaching strategies, and to adjust individualized learning strategies.

Spring View Middle School provides a variety of intervention and remediation programs to support students' efforts to achieve academic success and reach grade level expectations. Using STAR test results, District benchmark assessments, and end-of-unit exams, teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. For those students who need extra help in any subject area, a Student Study Team pulls

together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance. Intervention strategies include:

- Homework Club
- Language!
- MAP (Monitor and Assistance Plan)

Supplementary instructional materials are purchased as needed to support intervention programs. Classroom teachers monitor student performance on District benchmark assessments, daily classwork, homework, and end-of-unit tests to measure ongoing academic progress and adjust instructional needs.

### Staff Development

All training and curriculum development activities at Spring View Middle School revolve around the California State Content Standards and Frameworks. Decisions concerning the selection of staff development activities are based on student needs and topics focused on areas in which additional teacher training may enhance classroom instruction and increase student achievement levels.

In 2009-10, school staff participated in District-sponsored staff development which focused on RtI (Response to Intervention) efforts to meet the needs of all students, and site staff development focused on:

- Data Analysis
- Instructional Strategies

Throughout the year, teaching staff are provided the opportunity to participate in District-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Spring View Middle School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences.

Staff Development Days Three-Year Trend		
2007-08	2008-09	2009-10
6	6	2

Classified support staff receive job-related training from department supervisors and District representatives.

## Instructional Materials

All textbooks used in the core curriculum at Spring View Middle School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The District follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Wednesday, October 19, 2010, the Ocean View School District held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 14:1011 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the District to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient

textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2009-10 school year, Ocean View School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

## Professional Staff

### Teacher Assignment

During the 2009-10 school year, Spring View Middle School had 33 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

In the table below, which identifies the number of classrooms taught and not taught by NCLB-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price lunch program. Low poverty schools are those schools that are in the lowest quartile of program participation.

### Substitute Teachers

Spring View Middle School does not experience any difficulties finding substitute teachers to fill vacancies. A pool of substitutes is available through the District pool and is comprised primarily of aspiring teachers, retirees, and part-time teachers. Substitutes must have (1) a bachelor's degree; (2) passed the CBEST (California Basic Education Skills Test); and (3) a 30-day substitute permit.

### Teacher Evaluations

Evaluation procedures and criteria for Spring View Middle School's teachers are defined in the District's collective bargaining agreement. Evaluation criteria are based on the Stull Evaluation Criteria:

- Planning and Designing Instruction
- Classroom Performance
- Developing as a Professional Educator
- Punctuality, Attendance, and Record-keeping

Teacher Vacancies	0	0	0	0	0	0	0	0	

Temporary and probationary teachers are evaluated once annually; permanent/tenured teachers are evaluated once every five years. Tenured teachers whose previous evaluations either met or exceeded standards may be evaluated at least every five years if agreed upon by the teacher and school principal. Evaluations are conducted by the principal, who has been trained and certified to perform teacher evaluations.

New teachers and teachers who are not yet fully credentialed are supported by peer coaching and extensive staff development through the Beginning Teacher Support and Assessment (BTSA) program. This program utilizes the District's most effective veteran and knowledgeable teachers who assist with staff development and participate in such exercises as classroom visits, one-on-one meetings, and student work reviews.

### Counseling & Support Staff

Spring View Middle School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Spring View Middle School's students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2009-10		
	No. of Staff	FTE
Counselor	2	1.8
Health Clerk	1	0.7
Librarian	1	1.0
Psychologist	1	0.6
School Nurse	1	0.2
Speech Therapist	1	0.5

FTE = Full-Time Equivalent

## District Expenditures

### Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2008-09 salary comparison data was the most recent data available at the time this report was published.)

### Expenditures Per Student

For the 2008-09 school year, Ocean View School District spent an average of \$8,119 of total general funds to educate each student (based on 2008-09 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the District and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

Salary Comparison 2008-09		
	OVSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$38,044	\$41,988
Mid-Range Teacher Salary	\$75,222	\$68,649
Highest Teacher Salary	\$93,741	\$87,156
Average Principal Salaries:		
Elementary School	\$113,918	\$109,026
Middle School	\$120,543	\$112,489
Superintendent Salary	\$200,110	\$181,890
Percentage of General Fund Expenditures For:		
Teacher Salaries	46.40 %	42.50 %
Administrative Salaries	5.40 %	5.50 %

Current Expense of Education per Pupil 2008-09					
Dollars Spent per Student					
Expenditures Per Pupil	Spring View	OVSD	% Difference - School and District	State Average for Districts of Same Size & Type	% Difference - School Site and State
Total Restricted and Unrestricted	\$3,713	\$4,544	81.7%	N/A	N/A
Restricted (Supplemental)	\$76	\$190	40.0%	N/A	N/A
Unrestricted (Basic)	\$3,637	\$4,354	83.5%	\$5,681	64.0%
Average Teacher Salary	\$67,905	\$71,824	94.5%	\$68,212	99.5%

In addition to general fund state funding, Ocean View School District receives state and federal categorical funding for special programs. For the 2008-09 school year, the District received categorical, special education, and support programs funds for:

- ARRA: State Fiscal Stabilization Fund
- After School Learning & Safe Neighborhood Partnerships
- Arts & Music Block Grant
- CA Instructional School Garden
- CA Peer Assistance and Review Program for Teacher (CPARP)
- CA School Information Service (CSIS)

- Transportation
- Transportation: Special Education

## **SARC Data & Internet Access**

### **DataQuest**

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Spring View Middle School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability, including but not limited to API, AYP, STAR results, enrollment, and staffing.

### **Public Internet Access Location**

Parents may access Spring View Middle School's SARC and access the internet at any of the county's public libraries. The closest public library to Spring View Middle School is Helen Murphy Branch Library, a branch of the Huntington Beach Public Library located in Marina Park.

Helen Murphy Branch Library  
15882 Graham Street, Huntington Beach  
Phone Number: (714) 375-5006  
WebSite: <http://www.library technology.org>  
Hours: Tu-Th, 10am-7pm; Mon & Fri-Sun, Closed  
Number of Computers Available: 5

### **Disclosure**

The statistical information disclosed in this report is obtained from the California Department of Education and the Ocean View School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials and school facilities sections were acquired in November 2010.
