2009 - 2010

MISSION STATEMENT

The Ocean View School District provides a School Age Child Care Program which meets the educational, cultural, and social needs of the community. Program services will be provided in a professional, courteous, and ethical manner, to meet the needs of the children and families, and will promote the value of cultural diversity.

The Child Care Program will provide the children with experiences in arts, sports and exercise, music, and nutrition with the goal that each child develops social skills and increases positive self-esteem. The program will provide activities that are age appropriate, and at the same time allow for individual choice.

POLICIES

Staffing

The child care program is staffed by employees of the Ocean View School District to ensure quality care. The ratio of staff to students is one staff for every 14 students.

Who do we serve?

Service is provided to children attending school at school sites where Child Care Programs are located.

Extended Year Program

An optional program is offered during Thanksgiving, Winter and Spring recess and summer vacation. It is available to children who are enrolled in Preppie K through fifth grade.

Each week there will be a variety of activities in which a child participates. These include crafts, games, science experiments, and films based around a central theme. Study trips are included for the children to enjoy.
