FOR IMMEDIATE RELEASE

OCEAN VIEW PREPARATORY PRESCHOOL TO OPEN THIS SEPTEMBER

Huntington Beach, CA. – Ocean View School District is pleased to announce the expansion of our preschool services to the wider Huntington Beach community with the launching of Ocean View Preparatory Preschool, a new fee-based program for 3 to 5 year olds located at Pleasant View School.

Ocean View is committed to providing high-quality educational programs to support student development and academic achievement. Furthering this commitment, the Ocean View Preparatory Preschool (OVPP) program provides a developmentally-appropriate, academic preschool experience which lays a strong foundation for K-12 education. Aligned with the California Preschool Learning Foundations, OVPP's focus is to develop pre-academic skills that emphasize literacy and numeracy, while fostering exploration and creativity.

Ocean View Preparatory Preschool utilizes the *PreK Program* published by Houghton-Mifflin, which is aligned with Ocean View School District's adopted curriculum. Our program will effectively prepare children for success in kindergarten and beyond. Each child will experience enrichment opportunities to develop his/her cognitive, social, emotional, physical, linguistical and creative abilities. OVPP students will develop school readiness skills (intellectual, social-emotional, language, physical and creative) to prepare them to enter Kindergarten ready to access the curriculum.

Ocean View Preparatory Preschool information and parent handbook are available on our District website (www.ovsd.org). For further information please call the District Office at 714.847.2551.
