OCEAN VIEW SCHOOL DISTRICT ANNOUNCES NEW PRINCIPAL ASSIGNMENTS FOR 2011-2012

Ocean View School District is pleased to announce the selection of Ms. Carrie Haskin as the new principal of Hope View School for the 2011-2012 school year. Ms. Haskin comes to Ocean View from the Westminster School District where she has been an assistant principal at the middle and elementary school levels, as well as a teacher on special assignment as part of a student achievement team. Ms. Haskin has an extremely strong curricular background that includes experience in PBIS, Thinking Maps, and GATE certification. She possesses a reading credential and is a nationally certified and re-certified teacher.

Katherine Smith, principal of Hope View School for the past four years, will be expanding her administrative experience in 2011-12 as she moves to the Title I environment at College View School. Mrs. Smith will take over for Dr. Kristine White, who is retiring after seven successful years at Ocean View. She spent five years as the principal of Westmont School and two at the helm of College View School.

This new administrative line up will continue the educational excellence for which OVSD is known.
