

About Hope View

Hope View School/OVSD Mission Statement

We hold high expectations for all students through rigorous and relevant educational experiences that support and guide them to become responsible, ethical, productive, and involved citizens.

Hope View School Vision

Our vision, as a Hope View Community, is to inspire a passion for learning.

THINGS WORTH KNOWING ABOUT HOPE VIEW

Character Counts - One Character Counts attribute is introduced in grade level assemblies and used in tandem with our P.B.I.S. (Positive Behavior and Support) Program. Teachers give awards to those who display the attribute of the month such as:

Respect
Responsibility
Self-Discipline
Cooperation
Generosity
Compassion
Honesty
Tolerance
Perseverance

Best Foot Forward & Reading Counts - BFF is a reading incentive program run by approximately 40 of our parents. Students select a BFF book from the library and read it. Students then discuss the book with a BFF volunteer who asks prepared comprehension questions. Reading Counts will be implemented in the 2012-13 school year.

OC Marathon - Several of our parents run this afternoon activity that has students run the distance of a marathon over several weeks starting in May. As a culminating activity, they participate in a 1 mile run in May at the Orange County Fair Grounds.

PE - Three PE specialists lead our 4th and 5th grade students twice each week and in the process provide planning time for our 4th and 5th grade staff.

Shared Resource Room - Our teachers/students are really enjoying this wonderful facility. Our PTO funded the purchase of thousands of leveled books that are available for teacher check out.

Meet the Masters - MTM is an art appreciation program run by 35 of our volunteers. Each month an art project is prepared for students in the style of the featured artist.

Cross-Age Tutors/Reading Buddies - Our 4th and 5th graders tutor weekly and partner with a lower grade Reading Buddy.

Helpful Hawks - Thirty of our 4th and 5th graders are trained in conflict resolution and work on the primary playground at lunchtime. Each group of two students works one day a week giving us eight Helpful Hawks per day to help resolve playground issues.

Student Council - School service is the major theme of Student Council. This year we will support Toys for Tots, Pennies For Prevention, and in tandem with the Huntington Beach Kiwanis Club, will provide holiday toys and necessities for underprivileged children through the Bunny's Kids Charity of Orange County. Our Student Council works closely with the Kiwanis Club of Huntington Beach.

Performing Arts - After school programs in Dance and Musical Theater are offered for students in First through Fifth grade as after school enrichment. Scholarships are available.

Parent Involvement - We enjoy a positive partnership with our parents that produces over 12,000 volunteer hours a year in a wide variety of school support programs.

Intervention Programs - Leveled reading and math programs, Language!, Read Naturally, and ERI are a few of the research-based intervention programs that are utilized at Hope View. Programs such as these provide additional differentiated instruction, so we can maximize the learning experience, and make the most of the instructional day for each and every child.

Choral Singing Group - Our 4th and 5th grade students are eligible to participate in our choral singing group. Under the direction of our upper grade music teacher, Mrs. Kim Robles, the children have the opportunity to

perform at numerous venues throughout the year. Additionally, our PTO sponsors choral music in our primary grades.
