HOW TO REGISTER

EARLY LEARNING PRESCHOOL PROGRAMS: NOW ON ELEYO, online registration process

The Ocean View School District: Child Development Programs is excited to welcome our families to ELEYO, our new convenient, mobile-friendly platform for Program Registration and Bill Payments. To create/manage your account, please visit our site at <http://ovsd.ce.eleyo.com>.

Using Eleyo, parents/guardians are able to request contract/enrollment in the OVSD program. Contracts are not confirmed until approved/authorized by the Program Staff. You will receive an email to confirm registration or placement on the waitlist. Registration fees will be charged at the time of contract acceptance.

If during the year the site becomes full, and we are unable to accept your contract you will be placed on a waitlist. All contract requests are time stamped and will be accepted as spots become available.

If you are unable to access the online registration process, please email Sandra Cerda at scerda@ovsd.org to make an appointment to come into the Expanded Learning Programs office for in person enrollment.

In order to start in the program as of September 9, 2020, registration must be completed in the Eleyo system by 8am, September 8, 2020.
