

## **ARRIVAL & DEPARTURE INFORMATION**

Please note that Mesa View has a one-way parking lot, with the entrance on the side closest to Christa Palma.

### **Morning Drop-Off and Afternoon Pick-up:**

There are two lanes available to use for drop off in the morning. The right lane is specifically a drop off lane, while the left lane is a through lane. All cars should stop or be guided by our staff attendant at the stop sign inside our parking lot as this is also our student crosswalk. Students are expected to only use the crosswalk in order to cross the parking lot. Upon exiting the crosswalk, please note this is a right turn only exit to maintain safety of our community.

### Please note adjustments and recommendations due to COVID protocols this year, noted below:

Students are assigned to a gate to enter and exit each day. Students should use the social distancing markers as a reminder to provide space between them and others. Students must wear masks, enter their gate and go directly to classroom to line up. Teachers will be outside their classrooms to welcome students. As students arrive, they need to maintain 6 feet physical distancing, and this would include when they line up to enter the campus and to enter their classroom. The 6th grade entrance is near the D building - drop off should occur at the stop sign/cross walk in our parking lot. The 7th grade entrance is next to the MPR and drop off should be just before the office. The 8th grade entrance is nearest the A building/garden. Drop off for 8th grade can be either at the end of the parking lot or on Avilla Lane just past the school (please only drop off students on the school side of the street). Pick up should occur at the same locations.
