Construction Paper

We are always in need of good quality construction paper. Our favorite place to get the high quality we like to use is Lakeshore Learning. If you'd like to donate paper, you can visit the website www.lakeshorelearning.com. Please make sure you select the **12x18, SULPHITE** construction paper. We can always use any color to replenish our supplies. You can also visit the store located at 18679 Brookhurst Street, Fountain Valley - (714) 963-8255. If you go to the store to purchase the paper, please make sure you buy the **sulphite** construction paper; it is a heavier weight and works best for our kindergartners.

Thank you for all of your donations!
We are looking forward to a wonderful 2021-2022 school year.
