Dear Parent/ Guardian and Student,

Please read and review the following information with your student about the Physical Education/ Dance class and return the bottom portion of this letter to Mrs. Sanford by **Friday, 5/28/21**. Without your consent and the return of this paper, your student will not be able to participate in this class. This is a class that will be offered to 6th, 7th, and 8th graders next year **depending on availability of the master schedule**. This class would take the place of a student's Physical Education class therefore your student would not have to give up an elective for the class. Students will be responsible for dressing out, participating and putting forth good effort just like the general Physical Education class. Students do not need to audition for this class but class lists will be compiled based on attitude and determination, and teacher recommendation. Both California State Standards in Physical Education and Dance will be covered in the Physical Education/Dance class.

Because this class is a popular class, it is important that this form be signed and returned to Mrs. Sanford ASAP!

_____ I have read the above information about the Physical Education Dance Class and give consent for my student to be enrolled in the class.
