

Tumble Books Now Available!

Ocean View School District is proud to launch a District-wide subscription to Tumble Book Library (K-6), Tumble Math (K-6), and Teen Book Cloud (7-8). All students and OVSD families can access these online collection of e-books via personal computers, Chromebooks, tablets, or mobile phones. There are a variety of chapter books, non-fiction books, audio books, and even books in Spanish. Students can search for books by the length of time to read the books, Lexile Level, Accelerated Reader level, language, title, author, or subject.

*Downloads are not required as books are streamed right to your device. Students do not need to login. Students' place in a book is cached by the cookies in the browser. Please note, if you are using a District issued device, the cookies are wiped out once the student logs off the Chromebook. Families may wish to write down the chapter the student is pausing at before logging off. [For more information, please click here.](#)
