

Go to Peachjar.com and click Login

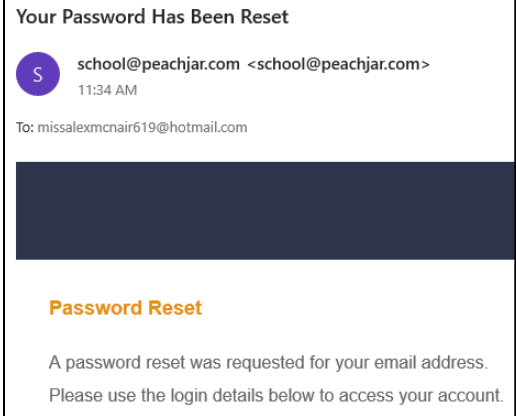

### Existing Account? Login Now

Username or Email Address:

Password:

Enter the email address on the login page, then click Forgot Password. You will get a temporary password sent to your email (be sure to check your other, spam, promotions, or updates folders for [school@peachjar.com](mailto:school@peachjar.com)).

Go back to peachjar.com and login using the email address as the username and the temporary password.

Click Notification Preferences and check that your delivery frequency is set to daily.
