

Automatic Withdrawal Set-Up Instructions

██████████
██████████
██████████

Thank you for your inquiry to set up an electronic withdrawal to your SchoolsFirst Federal Credit Union account. Some organizations debiting your account offer the ability to make changes over the phone or via their website, and others require written authorization. The information below will assist you in providing them with your account information.

Reminders:

- Update automatic or online bill payment services with your new account information
- Some organizations may require additional information to transfer your withdrawals
- Be sure to monitor your account at your previous financial institution to verify when your transfer is complete
- For additional information, please contact us at 800 462 8328
