

**Spring View's**  
**SCHOOL SITE COUNCIL**  
A Parent-Student-Staff Committee  
**Stay informed! Make a difference!**  
Meetings are 4x per year  
**Sign up TODAY!**

Spring View Middle School participates in the School Improvement Program. Our School Site Council (SSC) is a joint parent-student-staff committee that meets together to identify priorities for our students and develop an annual plan for the School Improvement Program. Throughout the school year the Council reviews the progress we are making and discusses items of interest regarding the school program.

Currently we have **parent and student openings**. Please consider joining this committee as membership on the SSC is an excellent way to stay informed, make a difference, and to support the work of the school. Meetings are held four times a year between October and May, at 3:00 p.m. in room 3.

Please call the school office, **714-846-2891**, for further information about this enlightening opportunity. We look forward to hearing from you!
