Dear OVSD Parents,

On Monday, April 19th, we will be bringing our 4th and 5th grade students back to school five days a week. Our phased 3-week transition for elementary students has gone smoothly and we are very excited to announce that **we are working on preparations to bring all of our in-person middle school students back to school five days a week as well, beginning May 3rd!**

In order to make daily in-person instruction available to our middle school students, we must continue to adhere to the California Department of Public Health requirements regarding social distancing of three feet between students and mask wearing. Additional staff will be hired and some adjustments to student class schedules will need to be made to accommodate social distancing requirements.

Please prepare your middle school student for the transition to in-person instruction five days a week as well as the potential for schedule changes. You will hear directly from your school principal, prior to May 3rd, about schedule changes for your student and/or school specific directions.

Middle schools will be operating on an odd/even block schedule. See [middle school block schedule](#).

Marine View Daily Schedule (effective May 3rd)

Elementary Daily Schedule for 1st - 5th Grades

| <u>Start Time</u> | <u>Release Time</u> | <u>May 3rd Release Time*</u> |
|-------------------|---------------------|------------------------------|
| 8:00 am | 12:20 pm | 2:00 pm |
| 8:30 am | 12:50 pm | 2:30 pm |

*Elementary students only - from May 3rd through the end of the school year, a lunch period and one hour of additional instructional time will be added to all student schedules two days per week. Your school principal will provide information specific to your child's school.

Please note that Virtual Academy student schedules do not change and will remain the same through the end of the school year.

We are thrilled to be able to bring students in all grade levels back to school five days a week. This has always been the goal as we know what an important role being in school plays in your child's educational achievement, health, and wellbeing.

As always, thank you for your patience and support as we work through another exciting transition.

Sincerely,

Dr. Carol Hansen, Superintendent
