MONTHLY MESSAGE FROM SUPERINTENDENT DR. CONROY

Superintendent's Schools Task Force

The Superintendent's Schools Task Force concluded a comprehensive seven-month, 11-meeting process to refine potential solutions to address the District's ongoing decline in enrollment and low school(s) enrollment. These recommendations were presented to the OVSD Board of Trustees and will be addressed at upcoming Board Meetings. All Task Force information can be found on the District's web page at ovsd.org/schoolstaskforce.

OVSD Participates In California Great ShakeOut

The safety of our students and staff is a top priority in the Ocean View School District and that is why the District Office and school sites actively participated in the Great ShakeOut earthquake drill on Thursday, October 19. During the exercise, students and staff were instructed to drop, cover and hold on before evacuating their classrooms. School sites managed student evacuations, simulated search and rescue and first-aid triage exercises and reported to the District Office.

HB Assistance League Awards OVSD over \$28,000

The Huntington Beach Assistance League visited Ocean View School District on Thursday, October 26 to present over \$28,000 in grants to our amazing teachers. Chairman of the Links To Learning Committee, Cathy Johnson, announced that forty-six applications were submitted and represented TK-8th grade, special education and librarians and covered a variety of educational areas, including social emotional learning, Dual Language Immersion, technology, drones, fine arts and motor skill development.

Red Ribbon Week

In honor of Red Ribbon Week, our schools hosted spirit days the last week of October to promote this year's theme, "Be Kind to Your Mind. Live Drug Free." This is a reminder that everyday Americans across the country make significant daily contributions to their communities by being the best they can be because they live drug-free! Students and staff showed their commitment to living a drug-free life by donning red attire, crazy socks, neon colors, sports jerseys, dressed as superheroes and much more....we even spotted some crazy hair!

School News Roll Call

Check out OVSD's November issue of School News Roll Call! Catch up on all the exciting things happening at our schools, including articles from Board President Singer, and our administration!

In the November edition, Dr. Conroy talks about 'Connections Before Content' and how students tend to excel in the classroom, achieve their goals, and have improved behavior when they have an interpersonal connection with their teachers and trust is in place. Building a strong foundation based on healthy and supportive relationships is a priority at OVSD.
