Kids Club Opens Registration for New Middle School, Elementary Afterschool Programs

HUNTINGTON BEACH, CA, May 31, 2016– For the first time in Ocean View School District history, afterschool enrichment programing will be offered to OVSD students in grades 6-8 on the Mesa View Middle School campus in Huntington Beach. Registered middle school students will be offered homework support, outdoor activities, career exploration, community engagement, clubs (including STEAM, sports, and art), and opportunities to socialize with peers. Forms to enroll are now available on the OVSD Child Care website at www.ovsd.org under “Mesa Middle School 16/17 Registration.” All forms may be turned in at the Child Care Department in the District Office, Building E (17200 Pinehurst Lane in Huntington Beach).

“The goal of our new middle school afterschool program is to implement a student-driven program that offers a safe environment where students are able to explore and develop educational and career goals,” said Superintendent Carol Hansen. “It will also provide students with opportunities to become productive and positive community members.”

In addition, the OVSD Kids Club is now accepting 2016-2017 registration forms for the following Kids Club elementary school sites: Circle View, College View, Golden View, Hope View, Lake View, Star View, Sun View, Village View, and Westmont.
