PHYSICAL DEMANDS, WORKING ENVIRONMENT AND HAZARDS:

The physical demands described here are representative of those that must be met by employees to successfully perform the essential functions of this class. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Work Environment:

The job operates in a kitchen or cafeteria environment, predominately standing and walking. The noise level can vary depending upon daily activity but will remain within moderate noise level range. The role routinely uses kitchen equipment including hot ovens, refrigerator freezer, and food carts. The incumbent will be subjected to varied temperatures ranging from extreme heat/cold due to ovens, refrigerators, and outside environmental conditions. The incumbent has direct and indirect contact with students, the public, and other district staff. There may be occasional exposure to blood borne pathogens, cleaning agents, fumes, and sharp metal objects. Work surfaces may be slippery. The position requires working with high volume, restricted timelines, being subject to frequent interruptions, and without direct guidance from supervisor.

Physical Demands:

While performing the duties of this job, the position is continuously required to stand and walk for sustained periods of time, talk, hear, and use repetitive motions of the wrists, hands, and fingers. The incumbent frequently stoops, bends at the waist, crouches, reaches at or below the shoulders, grips/grasps objects and tools used in the kitchen. The work involves little to medium physical efforts; frequently exerts 20 – 50 pounds of force to lift and carry; occasionally exerts up to 100 pounds to push, pull, or move objects. This position requires visual acuity sufficient to perform activities such as operating nutrition service and other related equipment that are within an arm's reach. Employment contingent upon passing physical and back evaluation test.
