School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

At Circle View School, we believe in meeting the needs of children through an assessment-driven standards-based approach to instruction. Our teachers use the most effective teaching strategies to help every child achieve their greatest potential. Our parents are highly involved in their children's education. Together, we educate, nurture and inspire our students to soar to new heights!

At Circle View, each classroom is a warm and positive learning environment with a clear student-centered focus. Student work is showcased on bulletin boards that reflect Common Core/California State Standards in all content areas. Teachers are knowledgeable about each child's skills relative to grade level standards and differentiate the instructional program according to the student's needs. A comprehensive literacy program, powerful mathematical experiences, and active engagement activities stimulate and solidify high levels of learning. Circle View also houses the Gifted and Talented Education (GATE) Magnet program for 3rd, 4th, and 5th grades. 182 students in the Magnet program received a differentiated curriculum, meeting advanced skills and needs, especially in the area of critical thinking, research, and by nurturing elements of depth, complexity, enrichment and acceleration.

District & School Profile

Circle View Elementary School is located in the western region of Huntington Beach and serves students in grades kindergarten through five following a traditional calendar. The Ocean View School District is located in western Orange County and serves over 8,000 students from pre-kindergarten through eighth grade. Ocean View School District is dedicated to educational excellence and the continuous academic growth of all students, which supports its motto: "Encouraging a Deliberate and Global Education."

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: 10/2018

All textbooks used in the core curriculum are aligned with the California Content Standards and Frameworks per the adoption process outlined by the state. Once the State Board of Education adopts standards-based instructional materials, the District field tests materials and then adopts according to Board Policy. There are sufficient materials at each school that are used to support core instruction. The adoption cycle has been adhered to and newly adopted materials are readily accessible to all students. All schools use adopted materials and site-specific supplemental resources.

School Facility Conditions and Planned Improvements (Most Recent Year)

In November of 2016, the Ocean View School District (OVSD) passed Measure R, a general obligation bond, in the amount of 169 million dollars. This is the first bond ever passed in the 143 year history of OVSD. The bond program is designed to transform the aging fleet of 1960/1970 era schools into modern, contemporary learning environments. Construction started in late June of 2018 and is anticipated to take approximately eight years to complete ending somewhere in the 2024/2025 school year.

The District currently embraces a systematic approach to maintaining the current facilities to ensure that all schools are clean, safe, and provide an inspirational educational environment for our students to learn, grow, and be challenged. District maintenance and site custodial staff work in a coordinated manner to ensure that the repairs and operational items necessary to keep the schools in good condition are completed in a timely manner. A comprehensive work order system is utilized by school and District staff to communicate both routine and non-routine maintenance requests. Emergency repairs are given the highest priority.

From an operational perspective, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One full-time day custodian and one or two part-time evening custodian(s) are assigned to each school site. The day custodian is responsible for:

- Lunch area setup/cleanup
- General grounds maintenance
- Grounds keeping
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principals are in continual communication with the Maintenance and Operations Supervisors and custodial staff concerning maintenance and school safety issues.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	78.0	83.0	61.0	64.0	48.0	50.0
Mathematics (grades 3-8 and 11)	78.0	80.0	57.0	57.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	396	393	99.24	82.95
Male	207	206	99.52	79.13
Female	189	187	98.94	87.17
Black or African American	--	--	--	--

English Learners	100	98	98.00	81.63
Students with Disabilities	52	52	100.00	36.54

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded

English Learners	100	99	99	77.78
Students with Disabilities	52	52	100	40.38

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	12.1	19.5	59.1

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to actively participate and stay involved in their child's learning experience by volunteering in the classroom, participating in decision-making processes, and attending school events.

Parents stay informed of upcoming events and school activities through Aeries automated communication system which includes phone calls, text messages and emails. In addition, the school website, Peachjar/eFlyers, social media (Facebook/Instagram,etc.), newsletters, parent conferences, the school marquee, and various teacher communication systems are in place. Contact any school office staff member, teacher, or the PTO President at (714) 893-5035 for more information on how to become involved.

Opportunities to Volunteer

- Chaperone Field Trips
- Classroom Helper
- Library Helper
- Parent Work Room

Committees

- English Learner Advisory Council (ELAC)
- Parent Teacher Organization (PTO)
- School Site Council (SSC)
- AstroCamp Fundraising Committee

School Activities

- Author's Day
- Back to School Night
- GATE Events
- PTO Family Nights
- Open House
- Parent Conferences
- Student Performances
- Student Recognition Assemblies

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

The Comprehensive School Site Safety Plan was developed for Circle View Elementary School in collaboration with School Site Council, local agencies, and the District Office, to fulfill the requirements of Senate Bill 187. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, emergency preparedness, procedures for safe arrival and departure from school, sexual harassment, bullying, and dress code policies. The school's most recent school safety plan was reviewed, updated, and discussed with school staff and School Site Council/English Language Advisory Committee in October 2018.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes

State	N/A	N/A	\$7,125	\$80,910
Percent Difference: School Site and State	N/A	N/A	-36.9	10.9

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

In addition to general fund state funding, Ocean View School District receives state and federal categorical funding for special programs. For the 2017-2018 school year, the District received categorical, special education, and support programs funds for:

Unrestricted Programs
State Lottery

Federal Programs
Medi-Cal Billing
Special Education Funding
Educator Effectiveness

State Programs
Lottery: Instructional Materials

Teacher and Administrative Salaries (Fiscal Year 2016-17)

Category	District Amount	State Average for Districts In Same Category

Professional Development (Most Recent Three Years)

Ocean View School District has instructional priorities that are the focus for all professional development. Professional development is collaboratively planned with the Ocean View Teachers Association to ensure that it meets the needs of students and staff and that it aligns with the District and State priorities. There are two non-student professional development days each year. There are also five modified Wednesdays for elementary schools that focus on site-specific needs. The first District professional development focused on Depth-of-Knowledge (DOK) levels 3 and 4. Training is interactive and teachers worked collaboratively with colleagues to develop student demonstration lessons to implement throughout the school year. The second non-student training day focused on DOK. At the elementary level, DOK 4 was revisited through the lens of Next Generation Science Standards. OVSD is developing a Twilight Series of professional development that will be offered after school to sustain District initiatives such as Write From the Beginning, Thinking Maps, Depth and Complexity icons, the Writing Continuum, and mathematical practices. As a District, we have a structure that allows us to stay the course and provide ongoing sustainable training.

In 2016-17 Circle View staff participated in the following professional staff development activities:

- A-1 Evidence-Based Practices for Students With Mild-Moderate Autism Spectrum
- California Reading and Lit Project
- Close Reading
- Depth and Complexity
- Differentiated Instruction: Optimizing Gifted Student Learning
- Next Generation Science Standards
- OCC GATE Conference
- OCDE Materials Based Math Training
- Professional Learning Communities
- Smarter Balanced Assessment training
- Wonders English Language Arts
- Authentic Literacy
- Depth of Knowledge
- ST Math
- Thinking Maps
- Write From the Beginning - Expository
- Write From the Beginning - Narrative Grades 4-8

Throughout the year, teaching staff are provided the opportunity to participate in District-sponsored staff development workshops or training sessions as:

- 1) a supplement to site-based staff development,
- 2) for reinforcement of or follow-up on previous training, or
- 3) follow-up training for newly implemented programs/curricula.

Circle View Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and District representatives.
