## ADVANCED HEALTHCARE DIRECTIVE "LIVING WILL"

### FIND THE TIME TO TALK ABOUT IT...

ABOUT

An advanced healthcare directive is a legal document allowing you to choose what kind of care you want (and don't want) if you are unable to communicate and make those decisions yourself due to unforeseen illness, accident or trauma. It allows you to designate a person (agent) to help carry out your wishes.

Please note that spouses, friends or anyone you're considering using as an agent are welcome to attend. An attorney will present this topic and answer any legal questions you may have.
