## Volunteers, California Distinguished Schools Honored at Board Meeting; May Revise Budget Detailed

*Photo: 2018 California Distinguished Schools, Circle View and Star View Elementary Schools, are recognized at this week's Board Meeting. According to a [press release from State Superintendent of Public Instruction Tom Torlakson](#), Circle and Star View Elementary Schools were selected for recognition based upon their exceptional gains in implementing academic content and performance standards. Principals Kristi Hickman and Carrie Haskin congratulated their committee members, students, staff, and families. Both schools were recognized at a special awards ceremony held earlier this month at the Disneyland Hotel in Anaheim.*

### Governor's Budget May Revise Update Presented to Our Board of Trustees

This week's Governor's Budget May Revise was presented to our Board of Trustees. Highlights included a modest increase in Proposition 98 funding and additional one-time discretionary funding. It was noted that any projected increases in 2018-2019 LCFF funding are mitigated by annual step and column costs, increased retirement employer contributions and declining enrollment in many areas of California. ### Nearly 50 School Volunteers Receive Accolades

Our Superintendent, Dr. Carol Hansen, kicked off our May 22nd Board meeting with a special recognition ceremony for 49 school volunteers. Board Members, District administrators and principals honored each volunteer, some of whom are parents, grandparents, former students, or business and community leaders. Dr. Hansen and Executive Cabinet members introduced volunteers and presented each one with a special pin and certificate.
