

Completed MEASURE R PROJECTS

2016 GENERAL OBLIGATION BOND MEASURE

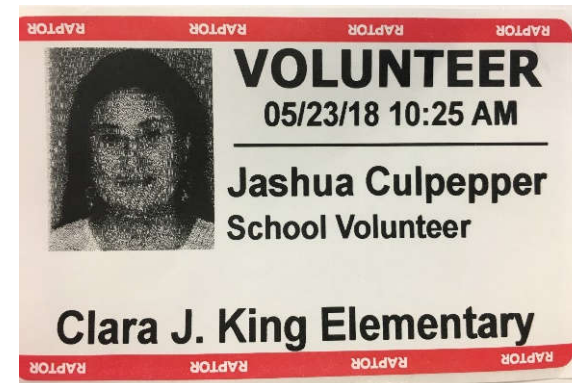

District-Wide Security System Upgrade

Description of Projects

1. District-wide, school site soft and hardware visitor management-registration system. Designed to inform school office staff and administration regarding visitors on campus during the school day in order to protect students, faculty, and staff
2. Districtwide, school site emergency mass notification system. A customizable solution that sends layered notifications / alerts from different systems from a single point of activation

Current Project Status

The installation of both systems has been completed.

Project Timelines:

Project Start Date: Summer 2018
Project Completion Date: Completed - Fall 2018

2016 GENERAL OBLIGATION BOND MEASURE

District-Wide Phone System Upgrade

Description of Project

1. Replace the phone system in all 17 District school campuses as well as the District's Education Center
2. The phone system will enhance safety and security of communication at all District sites
3. The phones will include speakers and built-in clocks

Current Project Status

The District replaced its existing phone system with a new robust phone system. The installation of the phone system began in January of 2017. This project is complete.

Project Timelines:

Project Start Date: January 2017

Project Completion Date: Completed - Winter 2017

2016 GENERAL OBLIGATION BOND MEASURE

Interim site - Modernization

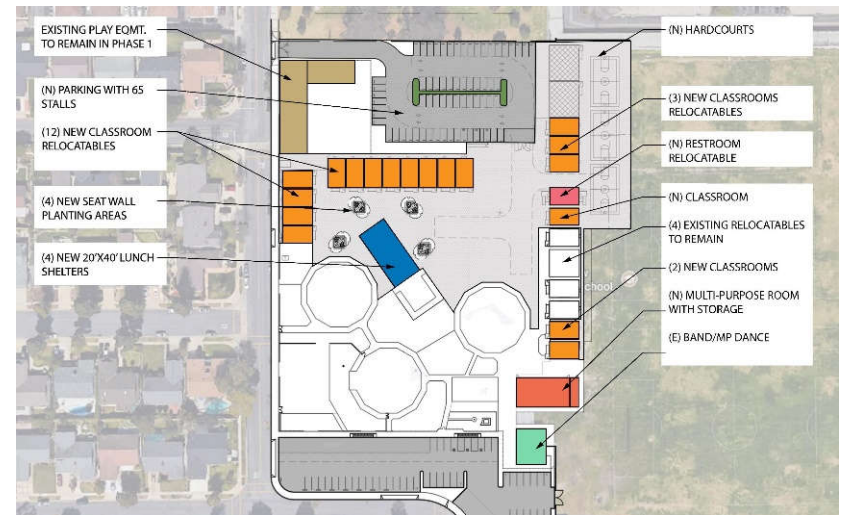

Project Profile & Current Scope of Work

Sun View Elementary School will be the interim site as schools undergo modernization. Project scope under Measure R includes:

1. Demolition & earthwork;
2. Install new parking lot;
3. Landscape & irrigation;
4. Concrete;
5. Plumbing & electrical;
6. Installation of portable classrooms, restroom, multi-purpose room; and
