

2017 Classified School Employees of the Year selected by the Orange County Department of Education

Each school year, the Ocean View School District holds a District-wide nomination process in six categories for Classified Employee of the Year. Recipients are announced and then recognized at their schools or offices, as well as by our Board of Trustees at a regular meeting. It is a prestigious honor as part of the county and state Classified Employee of the Year programs. Please read below about past recipients and help us recognize these outstanding classified employees by nominating staff members during the nomination process.
