### Ocean View Celebrates 40 Distinguished Volunteers from throughout the District

Superintendent Dr. Carol Hansen kicked off Tuesday’s Board meeting with a celebration of 40 distinguished volunteers from each of OVSD’s schools. Our Board, District administrators, and school principals thanked each volunteer for their dedication and time on behalf of OVSD’s nearly 8,000 preschool to eighth grade students. Our school volunteers come from all walks of life; some are parents, grandparents, alumni, and business and community leaders; they help students with literacy, math, robotics, and art activities, and others assist staff with classroom projects, events, and field trip excursions.
