## LCAP Adoption

The Board approved the 2022-2023 Local Control and Accountability Plan (LCAP), the Supplement to the Annual Update for Developing the 2022-2023 LCAP, and LCFF Budget Overview for Parents. The LCAP contains three broad goals with corresponding action steps: Pupil Outcomes & Conditions of Learning, Targeted Supports, and Engagement. See the LCAP presentation [here](#).

## 2022-23 Budget Adoption

Following the Preliminary Budget Report presented at the last Board Meeting, the Trustees approved the adoption of the OVSD 2022-2023 Budget. Assistant Superintendent Keith Farrow spoke about the very healthy public education funding for 2022-23 and the COLA increasing. However, much of the new funding is one-time money that does not rectify significant issues facing individual districts, e.g., declining enrollment, staffing, pension plan contribution increases, and economic uncertainties. The outlook for next year is positive, but deficit spending is projected in following years. See the budget presentation [here](#).
