## School Safety & Security Update

OVSD is looking at ways to enhance the safety and security of our schools. Mr. Keith Farrow, Assistant Superintendent of Administrative Services, discussed school site front door access control through video monitoring, an intercom system, a locked door release system, and a panic button. ## Substitute Teacher Pay Rate Increase

To maintain a pool of qualified substitute teachers, the Board approved a temporary increase in the daily rate of pay last October to \$150 for regular substitute teachers, and \$165 for long-term substitute teachers. In order to remain competitive with surrounding districts and to increase our ability to fill certificated absences consistently, the Board permanently raised the regular substitute daily rate of pay to \$150 per day and the long term daily rate of pay to \$180 per day. In addition, the Board increased the daily rate of pay for long term substitute teachers in special education positions to \$190 per day (provided they hold the appropriate credentials).
