Board of Trustees Proclaims OVSD's Red Ribbon Week for Late October

The Board of Trustees proclaimed October 23-31 as Red Ribbon Week, which aligns with the nationwide event. It encourages students and families to participate in drug prevention education and healthy living activities. Schools in Ocean View participate by hosting theme days. For example, Mesa View Middle School will promote this year's national theme of "Life Is Your Journey, Travel Drug Free!" by offering students a chance to sign a pledge wall that says they stand up against drugs. Please check with your school office for its Red Ribbon Week activities.
