## VAPING PREVENTION PARENT WORKSHOP WILL BE HOSTED BY OCEAN VIEW SCHOOL DISTRICT, ORANGE COUNTY DEPARTMENT OF EDUCATION

**HUNTINGTON BEACH, CA, May 17, 2019**– The Ocean View School District is partnering with the Orange County Department of Education to offer parents and guardians an important free workshop about vaping prevention.

**WHAT: OVSD Parenting Workshop: Vaping Prevention**  
Hosted with the Orange County Department of Education  
Free of charge

**WHEN:** May 28 at 6:00 p.m.

**WHERE:** Spring View Middle School  
16662 Trudy Lane  
Huntington Beach, CA

**WHY:** There is growing concern about youth vaping today, especially on school campuses across the nation. Newer, pod-based e-cigarettes are easy to conceal and contain high levels of nicotine, which can disrupt adolescent brain development.

You will learn:

- What the new types of e-cigarettes look like
- What research says about the risks of youth vaping
- How vaping devices are used with marijuana
- How to talk to your child about vaping
- What prevention resources are available

For more information, contact Stephan Lambert, Prevention Coordinator, OCDE, at (714) 966-4412.
