LCAP Presentation

Dr. Julianne Hoefler, Assistant Superintendent of Educational Services, provided the Board with an update on the Local Control & Accountability Plan (LCAP) and process. After receiving stakeholder input, Dr. Hoefler reported that over 98% of the stakeholders agreed with the four broad goals identified: Academic Achievement, Supplemental Supports, Engaged Community, and Safe and Engaging

Environments. The Board supported the direction of the plan and moving forward with the actions steps to support the goals. [View presentation here.](#)

Construction Update

Dr. Michael Conroy, Deputy Superintendent, provided blueprints of the Phase 2 fencing that is being installed for safety and security at Star View, Vista View, Oak View, Oak View Preschool, Mesa View and Spring View. He also shared graphics of Marine View's proposed interior walls that have themes that are emblematic of life in HB. The HB themes are historic, iconic, wetlands, surf, pier and harbour. School Safety Plans

All public schools in California are required to develop and maintain school safety plans each year. All OVSD schools have submitted comprehensive School Safety Plans, that were approved by their individual School Site Council, that address safety, security and crime and violence prevention. The Trustees approved the 2019-20 School Safety Plans.
