Goal: Reach a timely, fair, and amicable agreement

OVTA/OVSD Joint Communiqué #1 2019-20

Contract Negotiations

Negotiations for the 2018-19 school year began in March 2019. For the 2019-20 school year, we are happy to report we held our first negotiations session today, January 30, 2020.

We covered the following:

1. **HBCSD Update**—On Tuesday, January 28, 2020, the HBCSD Board voted 3 – 2 to close an elementary school this summer. Consequently, most students who do not reside within the HBCSD boundaries will not be approved for a transfer. ***We look forward to welcoming families affected by this change.***
2. **Schools and Communities First (SCF) Initiative**
3. **OVSD Budget Update**
4. **OVTA's Proposal: Article VII—Work Year** (*See attached*)

Next Steps: OVTA Site Representatives will be holding a meeting at each school site to provide additional details about negotiations and the Schools and Communities First Initiative.

Talks continue, thank you for staying informed.
